2nd page title h2 tag

Lorem Ipsum is simply dummy te xt of the printing and typesetting industry . Lorem Ipsum has been the industry's standar d dummy te xt ever since the 1500s, when an unkno wn printer took a galle y of type and scrambled it to mak e a type specimen book. It has survived not only five centuries, but also the leap into electr onic typesetting, r emaining essentially unchanged. It was popularised in the 1960s with the r   elease of Letraset sheets containing Lor em Ipsum passages, and mor e recently with desktop publishing softwar e like Aldus PageMak er including versions of Lor em Ipsum.

```ruby
class Foo
  def hi
    puts 'hi'
